5. SETTING UP YOUR RAZER RIPSAW

The Razer Ripsaw is simple to set up, and makes it easy to capture any video sent to its input ports. Follow the instructions below based on your personal gaming set up.

Note: Some PCs may require additional hardware to work. If you need further assistance with your setup, please visit the FAQ section at www.razersupport.com.

CONNECTING TO YOUR DESKTOP PC OR GAMING CONSOLE

1. Plug the included HDMI cable from your PC or gaming console to Razer Ripsaw’s HDMI input port.
2. Plug the HDMI cable* from your HDTV or monitor to the HDMI pass-through port.
3. Plug the USB 3.0 cable from Razer Ripsaw’s USB 3.0 port to your recording PC.

*not included
1. Plug your console’s component AV cable to Razer Ripsaw’s component cable.
2. Plug the component cable to Razer Ripsaw’s component input port.
3. Plug the USB 3.0 cable from Razer Ripsaw’s USB 3.0 port to your recording PC.
1. Plug the component AV Multi cable from your console to Razer Ripsaw’s component input port.
2. Plug the included HDMI cable from the HDMI pass-through port to your HDTV.
3. Plug the USB 3.0 cable from Razer Ripsaw’s USB 3.0 port to your recording PC.
**USING THE MIX-IN FEATURE**

Produce professional-grade videos by adding voice and secondary sounds.

Plug any music player to the audio input port using the 3.5mm audio cable to add your custom music or sound effects.

Good job setting up your Razer Ripsaw. Now for the fun stuff: visit [www.razerzone.com/ripsaw](http://www.razerzone.com/ripsaw) to download software for video recording and live streaming. We also have a fully comprehensive guide on how to get started streaming like a pro.
6. INSTALLING RAZER SYNAPSE FOR YOUR RAZER RIPSAW

Step 1: Make sure your Razer Ripsaw is connected to your computer.
Step 2: Install Razer Synapse when prompted* or download the installer from www.razerzone.com/synapse.
Step 3: Register for a Razer ID or log in to Synapse with an existing account.

*Applicable for Windows 8 or later.
7. CONFIGURING YOUR RAZER RIPSAW

Disclaimer: The features listed here require you to log in to Razer Synapse. These features are also subject to change based on the current software version and your Operating System.

The Razer Synapse configurator allows you to customize your device’s LED settings based on the selected recording software. Any changes made here is automatically saved to your PC and stored into the cloud servers.
8. SAFETY AND MAINTENANCE

SAFETY GUIDELINES
In order to achieve maximum safety while using your Razer Ripsaw, we suggest that you adopt the following guidelines:

1. Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to www.razersupport.com. Do not attempt to service or fix the device yourself at any time.

2. Do not take apart the device (doing so will void your warranty) and do not attempt to operate it under abnormal current loads.

3. Keep the device away from liquid, humidity or moisture. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). Should the temperature exceed this range, unplug and/or switch off the device in order to let the temperature stabilize to an optimal level.

MAINTENANCE AND USE
The Razer Ripsaw requires minimum maintenance to keep it in optimum condition. Once a month we recommend you unplug the device from the USB port and clean it using a soft cloth or cotton swab with a bit of warm water to prevent dirt buildup. Do not use soap or harsh cleaning agents.
9. LEGALESE

COPYRIGHT AND INTELLECTUAL PROPERTY INFORMATION
©2016 Razer Inc. Patent Pending. All Rights Reserved. Razer, the Razer Triple-Headed Snake logo, the Razer distressed word logo and other trademarks contained herein are trademarks or registered trademarks of Razer Inc. and/or its affiliated or associated companies, registered in the United States and/or other countries.

Furnishing of this guide does not give you a license to any such copyright, trademark, patent or other intellectual property right. The Razer Ripsaw (the “Product”) may differ from pictures whether on packaging or otherwise. Razer assumes no responsibility for such differences or for any errors that may appear. Information contained herein is subject to change without notice.

LIMITED PRODUCT WARRANTY
For the latest and current terms of the Limited Product Warranty, please visit [www.razerzone.com/warranty](http://www.razerzone.com/warranty).

LIMITATION OF LIABILITY
Razer shall in no event be liable for any lost profits, loss of information or data, special, incidental, indirect, punitive or consequential or incidental damages, arising in any way out of distribution of, sale of, resale of, use of, or inability to use the Product. In no event shall Razer’s liability exceed the retail purchase price of the Product.
**COSTS OF PROCUREMENT**
For the avoidance of doubt, in no event will Razer be liable for any costs of procurement unless it has been advised of the possibility of such damages, and in no case shall Razer be liable for any costs of procurement liability exceeding the retail purchase price of the Product.

**GENERAL**
These terms shall be governed by and construed under the laws of the jurisdiction in which the Product was purchased. If any term herein is held to be invalid or unenforceable, then such term (in so far as it is invalid or unenforceable) shall be given no effect and deemed to be excluded without invalidating any of the remaining terms. Razer reserves the right to amend any term at any time without notice.
